

Wanhuida Partner speaks at 2023 CIPIDF

Time: Nov 24
2023

Under the auspices of China Chemical Enterprise Management Association (CCEMA), Shanghai Polyurethane Industry Association (SPUIA) and Shanghai Pudong Intellectual Property Association (SPIPPA), the 2023 Chemical Intellectual Property and Innovation Development Forum (CIPIDF) is convened in Shanghai on November 24, 2023.

Jointly organized by “Your Best Partner” and “IP Gather Together”, the Forum is themed *“Strengthening Intellectual Property Protection to Safeguard the Innovative Development of Chemical Industry”*.

The event features three panel discussions: *“Corporate Intellectual Property Management & Patent Protection”*, *“How to Guard the Core Corporate Trade Secrets”* as well as *“Security & Compliance, New Chemical Regulations, Implementation Progress of Globally Harmonized System of Classification and Labelling of Chemicals (GHS)”*.

Tang Tiejun, Partner of Wanhuida Intellectual Property, shares insights on *“Observations and Takeaways on the Matters of Appraisal in the Chemical Field”*.

Tang Tiejun speaking at the forum

The firm's Associate Guan Yue, Patent Attorney Xie Chuanfang and Paralegal Yang jicheng also attend the forum.

Guan Yue, Xie Chuanfang, Yang Jicheng & Tang Tiejun (L to R)

The event attracts around 200 participants from businesses, law firms and academia.
