Wanhuida Intellectual Property proudly announces its remarkable achievements in the IP STARS 2024 rankings. The firm has secured two top-tier rankings on the prestigious platform, across “*Trade mark prosecution*” and “*Trade mark disputes*”, which affirms its status as a leader in the PRC legal market.

The firm has been a perennial sitting comfortably at the apex of the Chinese trademark market since 2011.

The IP STARS annual rankings identify the top law firms and lawyers across a variety of IP practice areas and more than 80 jurisdictions, making it the most comprehensive and widely respected IP practitioner guide in the legal profession. This year, more than 1,700 firms participated in the IP STARS research, but only the most recommended firms were selected for ranking after a rigorous and impartial research conducted by MIP’s dedicated team of research analysts in London, New York, and Hong Kong.

This recognition reflects Wanhuida’s ongoing commitment to excellence and its ability to deliver client satisfaction in the most complex IP cases.
