

Wanhuida and its partners ranked by asialaw

日付: Sept 14
2022

On 14th September 2022, the *asialaw Profiles* and its sister publication *asialaw Leading Lawyers 2023 Edition* are live.

asialaw Profiles provides law firm recommendations and editorial analysis in 23 jurisdictions, covering 28 sectors and practice areas. It produces tables ranking firms in Outstanding, Highly Recommended and Recommended tiers for the relevant sectors and practice areas.

asialaw Leading Lawyers identifies outstanding private practice legal professionals – divided into elite practitioners, distinguished practitioners and rising stars as well as senior statesman in 14 practice areas and 14 industry sectors across 23 jurisdictions.

Wanhuida Intellectual Property has been ranked by *asialaw Profiles* as an Outstanding Firm in intellectual property field (top tier) in China since 2016.

The firm's Founding Partner and Management Committee Chair Bai Gang has been recognised eight years in a row as a Distinguished Practitioner in Intellectual property category by *asialaw Leading Lawyers*.

Partner and Management Committee member Dr. Huang Hui makes the list of Distinguished Practitioners as well.
