On 17th October 2024, IAM and WTR announce the winners of its 2024 Global IP Awards, which recognise the achievements of law and attorney firms in patent and trademark work, at a gala dinner held at the St. Pancras Renaissance Hotel, London.

Launched in 2019, the Global IP Awards heralds the work of IP law and attorney firms in litigation, prosecution, and transactions. This year, based on the collective knowledge and insight, and drawing on a number of strategic data points, the full-time journalists and dedicated researchers based in Europe, the US, and Asia, identify and select candidate firms that deserve recognition for their achievements across the past 12 months for a total of 176 awards across 77 jurisdictions.
