The September/October 2024 issue of *The Patent Lawyer Magazine* unveils its long-awaited 2024 Asia-Pacific Law Firm Rankings, featuring a comprehensive list of the 10 most well-respected law firms from the Asia-Pacific region.

Wanhuida Intellectual Property is again ranked as one of the Top 10 Patent Firms in China.

Throughout the year, The Patent Lawyer magazine carries out extensive research to highlight leading firms in the IP and patent field in each jurisdiction to recognize the hard work and improvement firms have achieved. The research covers the jurisdictions of The Middle East & Africa, The Americas & The Caribbean, South America, Europe & The UK, as well as Asia-Pacific.

The list is derived from a multifaceted methodology, based on months of industry research over the candidate firm's existing market reputation, cited achievements within the last year, work in niche areas and unique strengths, client testimonials and recommendation, third party rankings and achievement recognition, among others.

The firm has been ranked by the magazine five years in a row.
